

Seeking Magic Performers

It's FUN. Become a performer of magical team efforts!
Become a magician or become part of the team
that gives magic shows.

SUMMER 2025: Work on magic effects at BASTION BREWERY
with a retired magician who has lots of great gear and expertise
to share. Create shows for Halloween. Create shows for private
parties. Maybe even turn PRO! (hint: if you work at it, you
might be able to get paid to do this!)
